ANGELA SOMMERS

I'm a real adventurous kinda woman. Sex has always been an adventure for me from my first experience to my last. I'm the type who's all in or all out. So when I had to pay for a speeding ticket and I had no money, the not-so-gentle police officer accepted my sweet ass as payment. Look, would you accept it, too?

"That'll be thirty-one dollars," I said for the umpteenth time, "and seventy-two cents."

signed copy

Yet another customer proffered their credit card. I processed the purchase, bagged their book, and thanked them for shopping with us. This repeated itself for at least an hour, one customer after another, a miserable script I was forced to relive like Sisyphus pushing that damn rock.

Thirty-one dollars and seventy-two cents. The total, plus tax, of my ex-girlfriend's debut novel. Pardon the cliché, but the book was selling like hotcakes.

Kate, my ex, sat in the posh booth designated for authors; pen poised in her hand, she signed copy after copy. The customer line was long, extending from Kate's exalted throne at the back of the store all the way to the

front entrance.

I was seething, barely able to contain my mounting anger. And I had every right to be pissed. Kate's debut novel had been written by yours truly!

The devious cunt had stolen my work and attached her name to it, convincing the publishing world and her duped readers that she was a burgeoning literary star. I had discovered this just a few days prior when the books had been shipped to the store. Imagine my surprise upon seeing Kate's name on the cover of the book. To her credit, she had changed the title. But the novel was all mine, every last word . . .

Unfortunately, there was nothing I could do. It was Kate's word

...she unzipped my pants and pulled out my cock. I sat there behind the wheel, sighing contentedly as she stroked me.

against mine. As a lowly book-seller, I didn't have the money to hire an attorney. Hell, I could barely pay the rent on my crappy roach infested apartment.

Boiling behind the cash register, I waited for the crowd to clear out so that I could confront Kate once and for all. Thus far she had

only employee left.

"You can leave," Paul told me. "I'll finish up here."

"Thanks, Paul," I replied. "See you tomorrow."

Kate had ignored me throughout the entire event, never once acknowledging my presence. As for me—well, I had been too busy

world."

So callous, I thought. So smug.

"You're lucky I don't have any money, Kate. Otherwise, I would sue you for every—"

"What do you want from me?" Kate waved her cigarette theatrically. "An apology? A percentage of my advance? A cut of my roy-

ignored my text messages. The hotshot writer, I reasoned, was far too busy to respond. I imagined her drinking cocktails in some fancy Manhattan bistro, getting tipsy with her agent as the two of them plotted the upward trajectory of her literary career.

It was enough to make me sick.

The store was about to close. The last of Kate's duped readers exited the store. Save for Paul, the assistant manager tasked with closing out the registers, I was the

ringing up the sales of her book to even glance in her direction. Now, however, things were different. I found her outside. She was smoking a cigarette and waiting for her ride.

"I've got a bone to pick—"

"All's fair in love and war," she cut me off, smoke spewing from her mouth. "Deal with it."

"You stole my book."

"Life is war, Tom. I simply did what had to be done in order to get ahead in this dog-eat-dog

alties? Well, you can forget it . . ."

Her uber pulled to the curb. She tossed her cigarette on the pavement. "I'd love to stay a chat, but I've got a plane to catch."

"Another signing, huh?"

"Houston," she said casually. "Then it's on to L.A."

"So," I said jokingly, "I guess a blowjob is out of the question . . ."

I fully expected her to flip me off. I most definitely did not expect her to say, "If it'll make you hate me a little less, sure."

I placed my hands atop her head, running my fingers through her blonde locks, soft and velvety, just like her pussy.

I waited for the punchline.

"I may be ruthless, Tom, but I have feelings too," Kate continued. "And I always loved your cock. You know this . . ."

This was no joke. She was dead serious!

No sooner had she dismissed her uber than we climbed into my

ing and groaning as she did so. Then she migrated to my nuts, sucking and licking my ballbag before devouring the whole thing.

I placed my hands atop her head, running my fingers through her blonde locks, soft and velvety, just like her pussy. But my ex hadn't said a word about fucking.

reached around and under her skirt with both hands, cupping her ass cheeks, squeezing and kneading the soft flesh as she pogoed her way to an explosive orgasm. Kate's climax triggered mine. I nutted inside her, filling my ex with much jizz.

I drove like a madman to the

car. I pulled behind the store for privacy. My hatred for Kate ebbed as she unzipped my pants and pulled out my cock. I sat there behind the wheel, sighing contentedly as she stroked me. My cock stiffened in her pumping hand, prompting her to release me and take over with her mouth.

Having leaned over the center console, Kate proceeded to give me a spectacularly sloppy blowjob. She slathered my rod with her tongue, up and down, moan-

A BJ, yes. But that's as far as this thing would go.

Turns out I was wrong.

Kate came up for a breather and, lifting her skirt, climbed over the gearshift. Facing me, she moved her panties to the side with one hand while grasping the thick root of my prick with the other. Lowering her hips, she guided me inside that tight moist pussy of hers.

She rode me hard and fast, bucking frenziedly in my lap. I

airport. Neither of us said a word. Kate smoked while I concentrated on the road. "So," she broke the silence, "do you hate me a little less now?"

"Sure," I replied without much conviction.

As a parting gift, she gave me a signed copy of her/my novel. Driving home, I chucked the fucker out the window. I sure as hell didn't want the thing inside my apartment. I saw enough of them at work!

I've always been a tough one to pin down, except in the bedroom that is. I quickly lose interest in men. Note that I said men, not sex. SCARLET RED

I've always been attracted to big cocks. Many times when the guy would pull his pants down and his cock out, my pussy would get wet. My mouth would salivate and my nipples would tingle. That's when I knew I needed cock. It's not just for my pussy, but for my ego, too. I'm ready, so Ryan, bring on that big one!

NEW STORE POLICY

The place was a madhouse; we didn't have nearly enough bagboys to handle the workload.

"Let me grab you a good one," I told Mrs. Palmer. "Be back in a flash."

I left her standing there beside the bum buggy. She had picked one with a wonky wheel. Not that she had a choice in the matter. It had been the only buggy available. The others were scattered haphazardly in the parking lot. Another typical Saturday at the supermarket. The place was a madhouse; we didn't have nearly enough bagboys to handle the workload.

I rushed outside, corralled half a dozen buggies, and rolled them into the store. "There you go, Mrs. Palmer." I apologized for the inconvenience. "Four good wheels."

"Thank you, Drew," she replied with a smile. I had always called her Mrs. Palmer.

Mrs. Palmer was my ex-girlfriend's sister. Audrey, my ex, and I had just graduated from high school. The bagboy job was strictly a summer gig. In late August I would be heading off to college. Audrey's situation was the same. Of course, she had been accepted into a much better school, a pricey liberal arts college in Massachusetts. As for me—well, I had had to settle for the more affordable state university not too far from home.

Audrey's parents were rich. Mine, not so much. This had absolutely nothing to do with the breakup. Ours was an amicable split. No hard feelings whatsoever.

I bagged Mrs. Palmer's groceries and loaded them inside the trunk of her sporty coupe. "Thanks again," she said, proffering a three-dollar tip.

"Sorry," I told her, "but we're not allowed to accept tips."

She seemed confused. And with good reason. Mrs. Palmer always gave me a tip.

"Since when?" she asked.

"Since Monday," I told her. "New store

policy."

A frowning Mrs. Palmer shook her head with dismay. "Well," she said, "I think that's just awful." She returned the money to her billfold. I told her to have a nice day, thinking that was the end of it. But Mrs. Palmer was nothing if not determined.

"You deserve a tip," she said, "and I intend to give you one."

"That's nice of you, Mrs. Palmer, but I could get in big trouble if my boss—"

"Come by the house after work," she cut me off. "I'll give it to you then. Your boss needn't know a thing."

I started to decline the invitation but

Clearly, the lady was on a crusade to give me a gratuity. And I could certainly use the cash.

decided against this. Clearly, the lady was on a crusade to give me a gratuity. And I could certainly use the cash. Three bucks was hardly a fortune. Still, every little bit helped. And who knew? She might even give me more than that. After all, Mrs.

Palmer had money to burn.

Dr. Palmer was out of town attending a medical conference. Audrey had gone on a beach vacation with Traci Winstead and her family. Mrs. Palmer, stunning as ever in a bikini top and sarong, related this as she led me through the house to the backyard pool area where, I assumed, she would dip into her purse and give me the tip.

But I assumed wrong. As soon as we stepped outside Mrs. Palmer removed her top and tossed it aside. I was speechless.

"Come now, Drew," she said. "Don't look so surprised. You know how handsome I think you are. I was always jealous of Audrey . . ."

"I—uh—"

"Do you find me attractive? I think you do. I'm no fool, Drew. I saw those sneaky glances of yours while you and Audrey were dating. You like older women, don't you . . ."

Mrs. Palmer was right, of course. I had always had the hots for her. I was eighteen. She was in her thirties. The age difference turned me on. She was a first-class MILF whose stellar tits gave me an instant boner. And I hadn't had sex since banging Audrey during spring break.

I was horny as hell.

And Mrs. Palmer was too . . .

I sat on a chaise lounge and took off my shoes. Mrs. Palmer crouched beside me and helped me out of my pants and shorts. I lay there, hardly believing what was happening, as she went down on me. Audrey's mother gave much better head than her sister. Experience counts for a lot. Holding the base of my shaft, she licked me from balls to glans, gliding her talented tongue with impressive skill. Moments later, with her hand still wrapped around my dick, she proceeded to service my aching balls. Sucking on my ballbag, she moved her hand up and down, stroking me with increasing speed.

She brought me to the brink before easing up. Then she stood, untied her sarong, and let it fall to her feet. Now, grateful that she hadn't worn a bikini brief, I found myself eye level with her pussy. She ran her fingers through a dark landing strip, raised her hand to her mouth, and licked

the juice.

"Scoot over," Mrs. Palmer said. "I want you to get on top and pound my pussy . . ."

I eased to the edge of the chaise lounge, creating more room for her. She lay there and spread her tanned thighs. I rolled on top of her and, using my hand, guided it home. She grunted when I entered her. Mrs. Palmer's pussy wasn't as tight as her daughter's, but it felt great all the same. Most importantly, she knew how to work it, knew how to move with me as I thrust, knew how to clench her muscles to heighten my pleasure.

I humped and hammered her MILF cunt, fucking her with everything I had. It had been a long and tiring day at the supermarket. But I didn't let that affect my performance. Not in the least. I was determined to make Mrs. Palmer come.

Thankfully, I did just that . . .

She cried out with excitement, with-

ing and spasming beneath me, her nails clawing my shoulders and back. Moments later, standing in a hunched position beside the chaise lounge, I jerked off all over her tits.

After we got dressed Mrs. Palmer tipped me five bucks, assuring me that the money was for helping her with the groceries. "If I were paying you for sex," she explained, "you'd be getting much more."

"I should hope so!"

NIKKY BLOND

Nikky couldn't believe how helpful the accountant was being. She was only paying him to balance her books, but after seeing the state of her finances, he offered to spend a few extra hours fixing those at no extra charge. No matter how hard she tried, she couldn't understand why he was being so generous. But no matter his motivation, she thought he deserved a very big, very special thank you. While he was finishing up, she decided to change into something a little more interesting. When she came back, he almost fell out of his chair.
